FOREWORD

We, the modern pioneers of the class of 1961, like our forefathers begin our journey to new frontiers of life.

Our journey will be difficult and the paths uncertain, but we set forth with confidence, guided by the Catholic education and principles instilled in our hearts during our high school years.

It is with great pride that we present the 1961 Trojan. It is a summary of our dreams and achievements, our successes and failures, a cross-section of the happiest years of our lives.
